PRESS RELEASE

«Quantum Nicosia Marathon 2021» hands over funds raised

On Tuesday, February 22, 2022, a luncheon was hosted at the Pantopoleio Restaurant, attended by representatives of the volunteers who helped all of us at the Athanasios Ktoridis Foundation to organise the "Quantum Nicosia Marathon 2021", as well as representatives of the charities "Little Heroes", Friends of Children with Heart Disease, Association for People with Autism and the Nicosia Multipurpose Municipal Center.

Present on behalf of the volunteers were the Commander of the National Guard, the Commander of ELDYK, a representative of the Police, the president of the DROMEA running club and friends.

The President of the Foundation stated that the "Quantum Nicosia Marathon 2021" has become an institution and thanked all the volunteers for their valuable contribution to society, emphasising that without them it would not have been possible.

He also thanked the representatives of the charities and associations for the effort to be by the side of society and to offer our fellow citizens who need our love and generosity.

Finally, the Foundation handed over to the representatives of the beneficiary charities and associations the cheques with the entire amount raised from the registrations of the runners who participated, stating that our Foundation aims to promote, selflessly, sports, charity and education.
